for the working poor

alleviate poverty

a hand up,
not a handout

life-changing loans

Through FINCA International, it is possible to pursue an investment return while providing a hand up—not a handout—to the world's lowest-income entrepreneurs so they can create jobs, build assets and improve their standard of living. Put an investment to work changing lives and helping eliminate poverty. FINCA operates with a distinctive, integrated financial model that accepts both donations and investment dollars. FINCA's business model promotes both financial and social performance, while opening pathways out of poverty for people—especially women—around the world.

invest with impact

Affect change through thoughtful investment

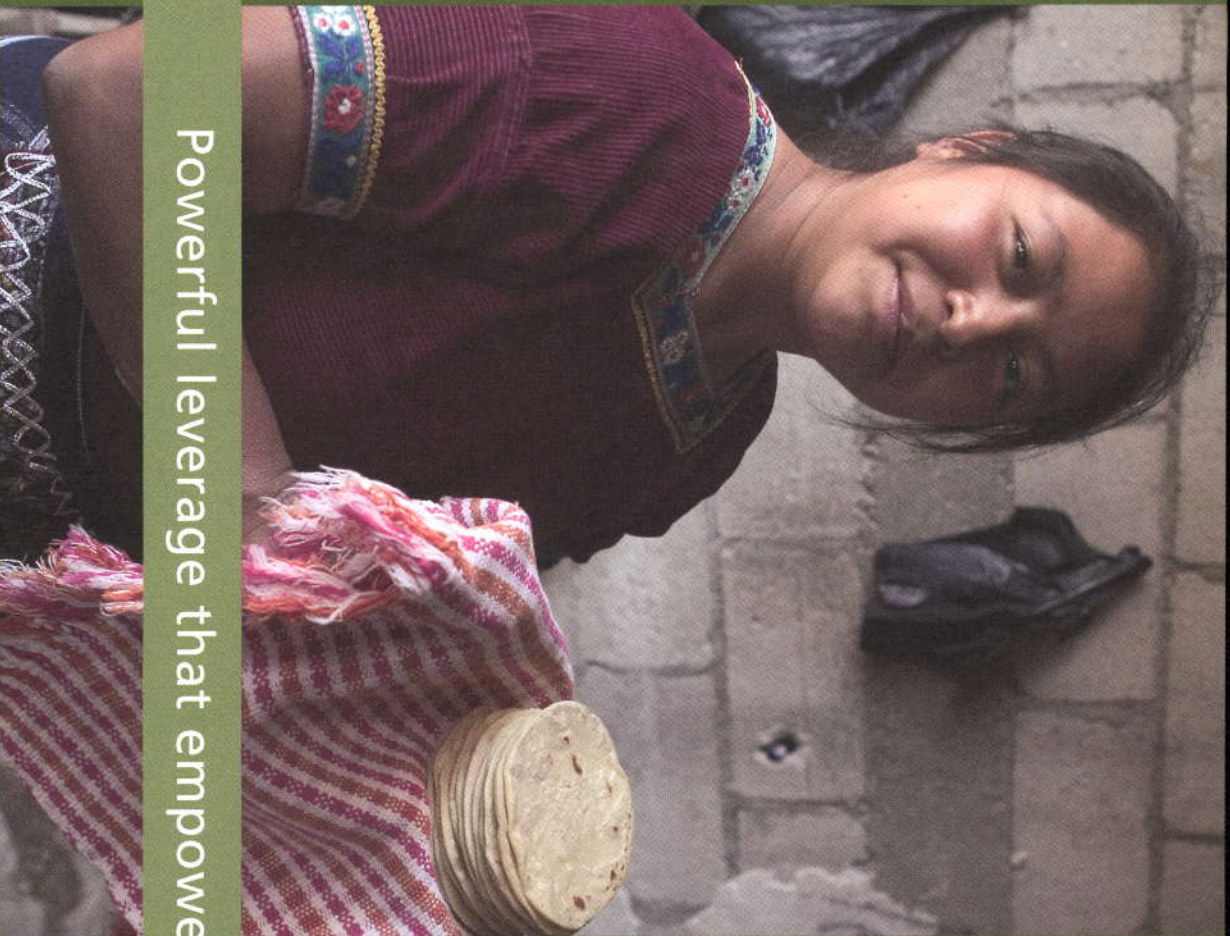

An investment in FINCA offers a direct opportunity to impact positively the social and economic well-being of the world's poor.

Investments in FINCA are made available as loans to FINCA affiliates around the world, enabling them to put loan capital directly into the hands of the poor.

invest with impact

Powerful leverage that empowers the poor

FINCA provides loans, not handouts, to hundreds of thousands of microentrepreneurs so they can build their small businesses. A typical FINCA client receives three loans per year: Your \$50,000 investment¹ can finance up to \$150,000 in loans in the first year. Over five years, your investment of \$50,000 can finance up to \$750,000 in microloans² and enable thousands of families to improve their lives.
